PROLOG

As usual, SEAIR Conference held in ASEAN Region and for year 2018, SEAIR Conference will be held in Jakarta and Centre for Financial Inclusion (CFI) FEB Trisakti University who acts as the host for this event. Centre for Financial Inclusion (CFI) is an official institute under the Faculty of Economics and Business Trisakti University. This institution begins from a discussion about the need for an institution that is able to address the issues of inclusive finance and issues of MSMEs. This institution was established in 2015. For catching the cultural as an initial SEAIR Conference, hence this conference will take a venue in Jakarta Gulf, Ancol, where the participants and speakers will enjoy some cultural ethnic at that place and also around the province.

SEAIR 2018

The SEAIR Forum is the Association's annual conference where South East Asia institutional research practitioners, scholarly researchers, and higher education decision makers meet to share research and learn from each other. The Conference offers SEAIR members an opportunity to mingle with leaders in the field from all types of institutions. Join us as rising stars and venerated veterans engage in a lively exchange of new ideas, time-proven techniques, and invaluable tricks of the trade.

In addition, the SEAIR Annual Proceedings are published as the collection of research articles that contains the contributions made by researchers at the conference and follows the format of Journal of Institutional Research - South East Asia (JIRSEA). The published articles are accepted through the peer review process to ensure that they are of high quality, reflect solid scholarship in the fields of institutional research, and that the information they contain is accurate and based on sound research.

Welcome to Jakarta,

Welcome to Jakarta, the dynamic capital city of Indonesia, and truly a "meeting place" of representatives from throughout the archipelago. With a total area of 650 square kilometer and large population of 12 million people, Jakarta is the center of government, business, and industry, offering

many interesting places, a diverse culture, exotic beaches, and natural wonders, as well as hospitable people and unique nightlife entertainment. Jakarta and the surrounding thousand islands offer more than 16 golf resorts. Enjoy the selection of food from all over the world, shop for traditional and name brand products, or simply relax in a spa after business. Enjoy our Hospitality, Enjoy our City, Enjoy Cuisine Jakarta.
